**2017 - 2018**

## PARENTS ROLE IN EDUCATION

- **Reading Partner** :- Encourage your child to read newspaper headlines, magazines and story books etc. Promote your child's involvement with books.
- **Become a guide** :- Help your child in doing his/her work independently at home. Also tell him/her to maintain his/her text books and other books.
- **Give healthy tips** :- Make your child aware and conscious of cleanliness. Tell him to keep the uniform, cupboard and room clean. Take the help of your child in the cleanliness of your house and other household affairs. This will bring a feeling of belongingness and dignity of labour in them.
- **Spend a fun time**:- Advice your child to watch, National Geographic, Animal Planet, Discovery, News channels with your child and answer their queries. Play memory games, antakshari of words, word building games with your child. Help him in solving mazes and puzzles. Ask open ended questions.
- **Value Education** :- Inculcate good habits like wishing and greeting people, obedience, discipline, patience, sharing, kindness, care, love for nature and country etc. by telling good stories, incidents and experiences.  
**Clap, appreciate and give incentives for your child's good acts and efforts. Don't avoid or discourage your child.**
