Dear Parents and Students,

Hope you all are fine and keeping in good health!

In today's scenario, we all are facing the worst ever pandemic we could imagine. I am penning down my concern for all of you and pray for your wellbeing and that you all remain composed with fortitude.

I urge all of you to remain indoors, take all precautions, and maintain a high level of hygiene and cleanliness. Also, indulge in indoor games, workouts, spend quality time with your siblings and parents, eat well, enjoy karaoke and antakshari, read, draw and watch movies. But, in all respects veer your mind away from anything that causes anguish, panic or pain. Your subconscious mind must reflect positivity and hope. **As you think so shall happen!**

The Founder Principal, Principal and Teachers are always there for you and will connect soon! **Stay home stay safe with patience and promise!**
