

HOLIDAYS HOMEWORK

GRADE – IX (2026-27)

SOCIAL SCIENCE

Undertake any one project on the following topics as mandated by **CBSE**. It will be assessed as **Subject Enrichment Activity** for which marks will be awarded.

Every student must undertake one project on **Disaster Management**.

- EARTHQUAKES
- LANDSLIDES
- AVALANCHES
- GLACIAL LAKE OUTBURST FLOOD
- DUSTSTORMS

Objectives

The main objectives of giving project work on Disaster Management to the students are to:

- To create awareness in them about different disasters, their consequences and management
- To ensure their participation in disaster risk reduction plans
- To enable them to create awareness and preparedness among the community.
- The project work helps in enhancing the Life Skills of the students.

Points to note for submitting the project

- The total length of the project report should not be more than 10 written pages in A4 size sheets.
- The project should be handwritten and credit will be awarded to original drawing, illustration and creative use of ecofriendly material.
- The project should be presented in a neatly bound simple folder.
